Adi Ki Aayegi Baaraat...

Aditya Chopra has filed for divorce from his wife, Payal, in preparation for his upcoming nuptials with Rani Mukherjee. Ex-Mrs. Chopra has been given a lavish residence and her bank balance has been well cushioned. On the other hand, the elder Mr. and Mrs. Chopra are very sorry to see her go; they've consistently denied link-up rumors between their ladla beta and the Queen bee. Methinks all is not well in Denmark.

Tere bina jiya jaaye na...

I don't know about you, but I'm getting a little tired of these latest star couples insisting on signing only if their BF, GF, SO, wife, naukar, driver, maali, hair dresser, etc, are all starring in the film with them. Talk about separation anxiety!! Honestly people, grow a backbone! Saif won't do anything without Kareena; Ash and Abhishek are on a signing spree with each other, Deepika Padukone and Ranbir Kapoor are doing films and ads together, despite each being just one film old!

Love ke liye kuch bhi karega...

The Saif-Kareena thing is getting a little out of hand, don't you think? He's a forty plus guy, divorced from wife, dumped by Italian girlfriend, now going to all lengths to prove his love for his latest flavor of the year. Saif recently moved bag and baggage to

be closer to Kareena's current residence. On another occasion, he chartered an airplane so that Kareena could spend some time with him. Huh? One has to wonder who's the more insecure one and to what lengths Nawab Saab has to go for his mehbooba.

"Baap, beta, badman..."

How aptly put by a recent publication. The original badman, Gulshan Grover, will be starring as Abhishek Bachchan's father in Dilli 6. And guess who's playing badman's father? Aaby Baby himself. Totally cool. Now if we could only find out what the movie is actually about!

Sapna mera toot gaya...

After all the hype over Sanjay Leela Bhansali and Vaibhavi Merchant's upcoming wedding, SLB has gone to great lengths to deny their engagement. Marriage and love, according to Bhansali, are very private affairs, and if such were to occur, he would let everyone know. Acting coy, Mr. Bhansali? Agreed, love and marriage are private affairs, but give us a little tidbit!

Bienvenido a Miami

All you folks close to Miami, keep a lookout for the following celebrities: Karan Johar, Abhishek Bachchan, John Abraham and Priyanka Chopra. They'll be shooting KJ's next venture, Dostana, directed by Tarun Mansukhani. So if any of you folks happen to see any of these folks, especially Abhishek Bachchan, or if his father happens to visit, would you PLEASE let me know??
