

Zodiac of the Month

Aries: March 20th - Apr 19th

Ruled by Mars; Gemstone: Red Coral; Lucky Day: Tuesday; Lucky Number: 9

The pioneer of the zodiac, Aries are always first in whatever they do, from finding the latest trends to being at the top of the corporate ladder. Oozing with confidence and enthusiasm to achieve, you must watch out for the Martian self-centredness coupled with directness of speech if you want to avoid heated words or debates. Between the sheets however, Aries are incredibly passionate with incredible stamina and endurance and love to pleasure their partners. Admirers should expect to be swept off their feet with a direct approach that is bound to result in a passionate relationship. Your Horoscope: With focus placed upon self-image and the way one looks, there is no time like the present to update your wardrobe with fancy new additions and accessories. Rather than playing it safe with what you normally like, experiment a little, as a little imagination can make a huge difference in the way you look. Expect plenty of compliments and a general boost to confidence and wellbeing.

Taurus: Apr 20th - May 20th

**Ruled by Venus
Gemstone: Diamond
Lucky Day: Friday
Lucky Number: 6**

With plenty of fun and frivolity to highlight the social scene, there is no stopping you in the pursuit of thrill and excitement. You may prefer mixing with more eccentric and open minded people, discussing and indulging in unconventional pursuits, which may put off your more conservative friends. Don't be surprised to meet a special someone with whom you share a real mental and physical connection.

Gemini: May 21st - Jun 20th

**Ruled by Mercury
Gemstone: Emerald
Lucky Day: Wednesday
Lucky Number: 5**

This can be a rather introspective period when the inner being takes more importance than the outer world. Use this influence to do some yoga, meditate or even tai-chi to declutter the mind. Clear and concise decisions can be made now which will serve you well.

Cancer: Jun 21st - Jul 22nd

**Ruled by the Moon
Gemstone: Pearl
Lucky Day: Monday
Lucky Number: 2**

This can be a time for success in the professional arena when pending projects and work finally come to desirable conclusions. A feeling of achievement is prominent and well deserved after a period of setbacks and delays that have left a rather bitter taste in the mouth. People are more respectful towards your efforts. Use this opportunity to make new contacts and get others on board with work in mind.

Leo: Jul 23rd - Aug 22nd

**Ruled by the Sun
Gemstone: Ruby
Lucky Day: Sunday
Lucky Number: 1**

With recent bills and debts that may have been left unattended, there is no time like the present to get this dealt with to avoid any unnecessary stress. Also, this a very beneficial time to look for insurance deals and mortgages that could save you money in the long run. Any investment made now can bring great rewards at a later date.

Virgo: Aug 23rd - Sep 22nd

**Ruled by Mercury
Gemstone: Emerald
Lucky Day: Wednesday
Lucky Number: 5**

With a desire to take up further learning or education, there is a lot to be gained at this point in your life. Whether you opt for an evening class, full time education, a workshop or even just reading a little extra, it can plant the seeds for future things to come. The internet or the local library can be a haven for the curious mind that can answer a thousand questions.

Libra: Sep 23rd - Oct 22nd

**Ruled by Venus
Gemstone: Diamond
Lucky Day: Friday
Lucky Number: 6**

With fiery tempers and heightened emotions taking center stage, there is little to keep the peace in close relationships. Rather than reacting, try diplomacy before flying off the handle. It could be that you're not the real problem but merely the scapegoat as frustrations tend to be directed at those who are the closet. Keeping the communication channels open will allow you to get to the root of what is really going on.

Scorpio: Oct 23rd - Nov 21st

**Ruled by Mars and Pluto
Gemstone: Red Coral
Lucky Day: Tuesday
Lucky Number: 9**

As the work arena becomes a more harmonious and sociable place to be, dealings with others take on a lighter note as well. There are plenty of opportunities to chat, mingle, gossip and joke, bringing about a level of camaraderie to a normally 'work only' environment. New friends are likely to be made while older associations are strengthened.

Sagittarius: Nov 22nd - Dec 21st

**Ruled by Jupiter
Gemstone: Yellow Sapphire
Lucky Day: Thursday
Lucky Number: 3**

Your home can feel like a full house at times with friends and family constantly knocking on your door with tantrums and the latest gossip. Although this may seem like the perfect opportunity to catch up on the latest happenings, be careful not to take on other people's problems, especially those who expect you to be their sav-

our. One can only advise and guide, as ultimately, others must walk their own path.

Capricorn: Dec 22nd - Jan 19th

**Ruled by Saturn
Gemstone: Blue Sapphire
Lucky Day: Saturday
Lucky Number: 8**

Recent stress and burdens can leave you feeling weighed down and in need of some well earned and light-hearted fun. Take a break and go take in a movie, visit a theme park, the circus or even watch a game, anything that raises your spirits and puts a smile on your face. Feeling free and relaxed, even for a few hours, can do wonders to restore confidence and general well being.

Aquarius: Jan 20th - Feb 18th

**Ruled by Saturn and Uranus
Gemstone: Blue Sapphire
Lucky Day: Saturday
Lucky Number: 8**

Siblings and relatives can be the source of great conflict as different points of views come head to head in combat. 'He said this and she said that' is all based on simple bantering and a cry for attention. Before any real long term damage is done, it is best to rise above and not get tangled up in petty fights. By standing strong and firm, you will keep all trouble at bay, especially when they give up because you refuse to play.

Pisces: Feb 19th - Mar 19th

**Ruled by Jupiter & Neptune
Gemstone: Yellow Sapphire
Lucky Day: Thursday
Lucky Number: 3**

With a strong desire to discuss current events and future plans, you do not hesitate in sharing your thoughts and feelings with the world at large. Talking is certainly a strong point that can make one an excellent conversationalist, keep in mind, however, that listening is just as important. Without understanding the appropriate feedback, there is little scope to gain a good perspective on the discussion.
