

# CHAAT MASALA

CityMasala readers - here is a brand new column to let you know what is going on around town, the *chehal pehal*, the *masala* and any other tidbits that we can lay our hands on. If you have an interesting tidbit to pass on to us, don't forget to write in to [info@citymasala.com](mailto:info@citymasala.com). If you send pictures, it will be even more fun and interesting to read.

To start off with, we are going to include some letters and feedback that we got from you.

## What You Had to Say...

**I enjoyed reading about** the dancer Adeta (Cover, April 2008) who is dancing into our hearts. I cannot believe she was given such a compliment by the one and only *Aishwariya Rai*. I am sure that this is the biggest compliment that the star could have given to anyone and I am sure Adeta was very excited about that. With her obvious dedication and hard work, she should reach her goal of dancing in a Bollywood film very soon. I feel very proud when I read of achievers who are still well grounded and she seems to have that down. Please convey my well wishes and support to her on her dancing and school. *Sent by Diana Patel*

## A Question From A Reader...

*Rachna*
